

Memorandum

#12a

To: Anthony Barrett, Town Manager
From: Tammy Malone, Facilities Director 
Date: January 5, 2010
Cc: R. E. Fletcher, Assistant Town Manager – Engineering
Subject: Special Events Procedures and Path Forward

Request: Town Council review the attached package and the proposed new special events ordinance and provide the Town Manager and staff comments prior to the February 12 so staff may revise the Ordinance for formal action at the February 23th Council meeting.

Background: The Town of Bluffton in concert with local businesses and civic organizations continues to encourage, promote and support special events within the greater Town area. As a result, the number of events, size and complexity continues to increase. Along with this positive growth, several areas for improvement have been identified:

- Clearer and consistent application submittal & processing ,
- Streamlined and consistent coordination and approval by multiple approval entities,
- Improved participant and sponsor safety
- Clear framework allowing Law Enforcement to correct unsecured or unsafe situations.

To address these improvement areas, facilities staff, with input from the public, Chief of Police, Construction & Compliance, Fire Department and the Town Attorney, drafted a new ordinance to replace the current ordinance. The most important ordinance change is a clearer delineation of regulations which facilitates security and safety enforcement by the Police. The current ordinance does not provide this element of enforceability. The proposed ordinance was presented to Council July 21st. Council decided to table the ordinance pending new Town Manager.

The proposed new ordinance has been vetted by the Town Manager and is attached for you review and comment. The proposed path forward is Council provides feedback prior to a formal submittal at the February 23rd Council meeting. If the new ordinance is approved, staff under the direction of the Town Manager would develop the implementation policies and procedures. The ordinance, procedures, forms etc would be available on the Town website and appropriate Town departments. This should improve consistency and fairness for all applicants.

To facilitate potential formal review in February, Mr. Barrett and key staff (police and special events coordination) will be happy to discuss any questions and all aspects of the proposed new Special Events Ordinance.
